GENERAL COURSE RULES:

The 2-meter rule is not in effect.

OB areas (including water) are defined by a white painted line or white string unless otherwise noted. Where present, white stakes serve as a visual aid for OB lines. Where fencing is used, the inside edge of the fence posts is the OB line. If string/paint is not present, straight line from stake to stake is the OB line.

RELIEF: Players may obtain relief backward on the line of play, without penalty, from temporarily placed advertising assets, permanent signposts, or fairway markers, per PDGA Rule 803.02 (A). As the rule states, "unless greater relief is announced by the Director" instead of only taking the closest lie that provides relief, the Tournament Director has granted up to 1m relief from the aforementioned assets/obstacles.

CASUAL AREAS (PDGA Rule 806.03): Areas marked with RED paint/string are designated as casual areas by the director. Players may take optional relief from these marked areas and unmarked casual water.

In the event of a tie for 1st place after three rounds of play, a winner will be determined by sudden death playoff on Hole 1 and then 18 in perpetuity until a winner is determined.

RELIEF AREAS (PDGA Rule 806.04): Areas marked with PINK paint/string are designated as relief areas per PDGA Rule 806.04. Players must take mandatory relief from these marked areas.
